**Landin Realty  
Zenith Office Complex  
3/6 Reliance Drive  
Tuggerah Business Park  
Tuggerah 2259**

We accepted Red Eye Constructions to construct our \$5 Million project, the Zenith Building in 2007.

Work was completed on budget and on time and proves why we have used Red Eye Constructions to complete several other projects, all of which we've been very satisfied with the outcomes.

We will be commencing construction of another office complex in the near future and will most likely use Red Eye Constructions again.

Yours Faithfully

Kevin and Trisha Gregory
